Profile

Established in year 1975, Royal Embroidery Threads Pvt. Ltd. are a coveted organization engaged in manufacturing, supplying and exporting various types of Embroidery Yarn. Our Highly Successful "Royal" Brand is used by the leading garment manufacturers, exporters and corporate in India and across the globe.

We offer superior quality Embroidery Yarn that are widely acknowledged amidst innumerable clients, owing to features like high tenacity, fibre strength, colourfastness and many more. Also, the entire range of products finds application in diverse segments such as men's & women's apparels, furnishing fabrics, footwear and many others where Embroidery is needed. All our Products are Oeko-tex standered 100 certified and do not contain any harmful substances.

Due to our efficient management, we have been able to carve a strong and reputed position in the domestic as well as international markets by providing our range of Yarn at the most competitive prices. Thus, ethical business rapport along with our market leading price, we are stepping up the ladder of success.

Banking upon the experience of over 4 Decades, we have been able to position our-self among the most reputed Manufacturers, suppliers & Exporters of various types of Embroidery Yarn. Range offered by us comprises of Viscose Rayon Embroidery, Trilobal Polyester Yarn & Mercarized Cotton Embroidery Yarn. All these yarn are manufactured using high quality raw material procured from trustworthy vendors and are know for Quality, strength & colour Fastness and are certified with Oeko-Tex stand-ard 100 Certification.

The wide assortment of products offered by us is based on latest technology and is inspected & tested at every facet of our proceedings for different Quality parameters. Our profound infrastructure combined with team of skilled professional has helped us in manufacturing products that match well with the industry standards. Thus, with the high quality products that we offer, we have gained utmost client satisfaction across the globe especially in Indian Subcontinent.

Sourcing of Quality Embroidery Yarn now, as easy as just ordering them.

India being the second largest Embroidery yarn Manufacturer after China gives us a huge advantage in this unstable era of the Chinese market. A democratic & almost self sustained Industry, With the Made in India Campaign about to kick off gives us all the ingredients required to Rule the Embroidery yarn industry.

We've seen our country's immediate competitor China, reducing its currency recently & there was a lot of speculation that the Chinese market is trying to consolidate its Market share which they are still rapidly loosing.

What we are speculating is that the current situation of the whole Industry is more amicable for India to grab a great market share. The advantages that we bank upon are the growing Western & Middle Eastern Markets & the Evergreen Asian Market.

With a combination of a young & experienced team & a technically upgraded infrastructure, we offer a solution to the Embroidery yarn users in this Era of Complications in the Embroidery industry. Aiming at benefiting Embroidery Machinery holders in every possible way & letting them enjoy the advantages of an Indian made product.

India being the centre of Asian countries we have an advantage, Wherein we can reach out to our neighboring countries fastest compared to any other Asian Country. Thus reducing the lead time of an order placed & assuring quick deliveries of consignments.

Reduced lead time helps buyers in planning short term projects, just because of the fact that the, Raw Material required for a particular design shall be available quickly.

Ready Stock of over 600 Shades available from the shade card for same day Dispatch.

We believe in a customer centric approach, wherein we aim to lay down strategies that are more beneficial to the customer than anyone else, This helps you to place an order as per your requirement not as per a policy laid down by a third party. This in turn will also help you manage & eradicate your dead stock finally boosting your profitability, With all these services available at rate very competitive in the Industry is a great bargain & a fantastic deal that we have to offer you.

Looking at the future scope of growth of the Embroidery Yarn Industry, we have laid foundations for a 50% expansion in the Financial Year 2016 – 2017. We aim at delivering better results & great service, setting high benchmarks in the Embroidery Yarn Industry over the globe.

We look forward for an opportunity to professionally know you & your organization.

Yours Sincerely,

AsadAli Mukadam
